Basin Street Hotel is a great example of affordable college fine dining. You can get wings, chili or go for the entrée's. A great menu that offers something for everyone – and it is all good!! Their Monday night all you can eat wing special is what we go here for when in town. Basin Street is legendary and rightfully so.

These are the hot wings. They offer a ton of flavors and many that you will want to try. The Monday night all you can eat special is worth putting on your schedule every week. When in Kutztown you have to try one of their unique flavored wing sauces...
