**Chubby's is one of the most overlooked steaks in all of Philadelphia. Real onions matched with a great steak and a solid roll – it just seems to all go together. This is a place that takes a lot of pride in all they do. When we walked in on this trip they were just pulling homemade cookies out of the oven. Name me one other steak place that bakes homemade cookies.**

**Look at the size of the onions on this guy, truly a solid top ten  
steak in all of Philadelphia.**

**By the way here are the cookies – just as good.**

**Sugar cookies fresh from the oven.**

**Chocolate chip, my personal fav.**

**And for those on a “diet”,  
oatmeal raisin.**
