Dinic's Roast Pork and Beef

Reading Terminal Market

Philadelphia, PA

Dinic's Roast Pork and Beef is a Philadelphia institution. This is a great, juicy roast pork sandwich with a slice of sharp provolone. Normally, we get this with broccoli rabe, but they happened to be out of them on this morning. The roast beef sandwiches here are also some of the most flavorful, delicious roast beef sandwiches around. Dinic's is just an awesome place to grab a sandwich or three and sit and take in all the sounds and aromas of the Reading Terminal Market.

Roast pork with sharp provolone (above). This is somewhat of a regional thing so if you have never had one, try it, they're fantastic. Underneath is the roast beef, juicy and appetizing. Follow the EatingTeam motto of never just getting one sandwich and try both, everything here is worthwhile.
