Duff's Famous Wings are well known as the best wings in

Buffalo. Most people know the Anchor Bar is the birthplace of the Buffalo wing, Duff's came along and made quite a name for itself. The EatingTeam traveled to Buffalo to see for ourselves just who was the King of the Wing. This battle was a first round knockout. Duff's, hands down, was much better than the Anchor Bar. We like to compare the Anchor Bar to Pat's or Geno's Steaks in Philly. While these are the famous tourist attractions for cheese steaks, most in Philadelphia know there are many places to get a much better sandwich. So, you can do the tourist thing and go to the birthplace of the wing. Or go to Duff's and get the best wings in Buffalo. They also have two locations in Toronto if you're north of the border.

My sister, who lived in Buffalo for a bit, was more than happy to snap a few pictures for us.

Beef on Weck sandwich, another Buffalo staple.
