FAT DADDY'S SOUTHERN BBQ

1602 SULLIVAN TRAIL

EASTON, PA

Fat Daddy's Southern BBQ is in Forks Township, PA. Deb and Tony are both KCBS BBQ judges, so they do know a thing or two about what good BBQ is supposed to be. This place has some of the best cooked ribs we have had outside a competition. Their sides were very good as well. Get this – they have a sauce bar. We really did not use it though. See, when BBQ is not cooked right you need the sauce to hide the lack of BBQ taste. We recommend no sauce AT ALL on the ribs or chicken.

We got the sampler for about \$15.00. Chicken, Ribs, two sides and cornbread. The collard greens were REALLY good.

Who doesn't like homemade Mac N Cheese? Dig to the bottom where the hot cheese gathers.

MEAT!!!!

Chicken, Brisket and Ribs. We all agreed the ribs were our favorite but all was very good!

RIBS DONE RIGHT! When you bite a rib the rest of the meat should stay on the bone. You should not need sauce to make it taste great. **BOTH** BBQ rules apply to these fantastically cooked ribs.
