Known for their famous sticky buns and special creamy-rific toppings, Fritz's is a can't miss, hidden gem. Usually the best foods are found in small, older towns. The sticky buns are what you come here for but they have all the usual goodies as well. Listen, these are one of my 10 favorite foods of ALL TIME – and that's saying something. You know that feeling you haven't had since you were six when Dad was ordering your favorite ice cream and you were as happy as you thought any human could be – these bring back those feelings...

I give you soon to be beyond famous – Fritz's sticky buns...

That magical filling on top is a must.

I like this better than Berger's in MD, Junior's in NY....
