Live to Eat

Gaetano's

Several Locations

Philadelphia, New Jersey, Croydon

This place takes a neat twist on Philly Style cheese steaks. One, they are huge. Two you can ask for one on a toasted roll smeared with Garlic butter. How can that be bad? With many locations throughout the Jersey and Philly area you can find one close enough to you to take the ride.

MMMMMMMMMMMMMMMM

Look at the size of these guys, 18 inches of very good steak. Usually when you get a steak with this much meat, it is lower quality and bland. Not in this case.

This is the 12 inch medium with American.

Welcome to Garlic Bread cheese steak.
