**PHILADELPHIA, PA**

**This is one the sacred cows of Philly cheesesteaks. This along with Pat's across the street are the two names everyone talks about when bringing visitors into Philly to try steaks – go here. This is the steak that got us all hooked on real Philly cheesesteaks. Geno's is very, very clean and in the second window you can get cheese fries and drinks also. A great place and a good example of a good wiz – wit. As with most steak places in Philly this is not an indoor eatery...**
