This is as simple as it gets. Simple menu with well cooked food that tastes great.

Brick oven pizza is

what they are known for and rightfully so - but we have to tell ya - their meatball parm is really good as well. This place has seen many trendy expensive restaurants open and close in Newtown while they continue to do a steady, great, well deserved business. See pics below...

Coach Gillespie ordered a brick oven margarita pizza with spinach and prosciutto. A thin, crisp crust pizza that snaps when you bite it every time.
