North Third is famous for the wings and that's why we are here today.

Usually, I only eat wings at the Mesquito Grill in Doylestown. But on this day, North Third was the first stop on our Fishtown/Northern Liberties tour and I was hungry. We ordered a pound of the Famous wings and also a pound of the Asian wings. The better of the two was easily the Asian style. Topped with crushed

peanuts, these wings made for a great start to the day.

North Third's Famous wings served with tasty bleu cheese dressing and celery and carrots for those on a diet.

Sweet and tangy Asian style topped with crushed peanuts.
