**This is one of the oldest
pizza places in America.**

Make no mistake this is

TOMATO PIE, not pizza. What is the difference you say?

The difference is chunks of tomatoes in the sauce and a little sweeter. It is still a thin, crunchy, crust pie with mozzarella but the emphasis is on the sauce. We rate this as one of the best pizzas we have ever had. This would be on our checklist of the best foods we have ever eaten - period.

This is sooooo good!!!! Tomato Pie perfection.
