Primanti Brothers

Several Locations

Pittsburgh, PA

Primanti Brothers is widely known in Pennsylvania for having very unique sandwiches.

The original idea was to get the workers their food fast so they could get back on the job. So they came up with the idea of putting everything all together and serving it up as a sandwich.

As you can see everything is on the sandwich

Scott claimed it was the type of sandwich that would be perfect to end a good night with right before sleep.
