RICE TO RICHES

37 Spring St.

New York, NY

212.274.0008

What a neat idea. An entire store about rice pudding. A boatload of flavors and they will let you sample them as well. This place is truly a unique idea... Who doesn't like rice pudding? I recommend that you stop by when in the area. It is a great snack or meal depending on the size you get. O yeah -they will mail you some if you really like it.
