A new BBQ joint has opened up in Jenkintown, PA. Rosey's is where you may remember Abner's BBQ from years past. We were emailed from some friends to check it out – and so we did.

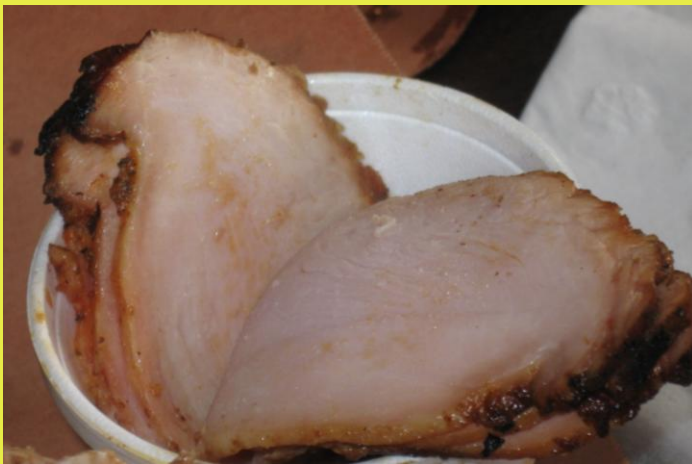

Jenkintown, you know have a true BBQ place in your area. This is TRUE BBQ. How can you tell? When you sit at the table, you will notice no sauces there. That tells you about how confident they are that there meat can stand all by itself and does not NEED sauce to make it taste good.

So let's start.

**Here we started with 6 ounces of all their meats, which included on this day:**

**A deep, deep smoked chicken with great BBQ flavor.**

**Next up smoked turkey - I said it - turkey. Can't say I have seen this very often but it easily fit into the rotation. Turkey - great idea. Spices and turkey goodness.**

**The regular cuts of BBQ were there as well. Pulled pork and brisket.**

**The brisket was the hit of the day for us as far as the meats. If you are a BBQ person, you know just how hard it is to make a really good brisket. THESE GUYS NAILED IT!**

**Brisket – nice bark and moist flavor.**

**Pulled pork – moist and good.**

**RIBS!!!!!! You want to see if a place knows what they are doing – get the naked rubbed ribs and see how the RIB tastes. These were firm and tasty with just enough rub to compliment the meat not to take the place of it.**

**Now for the sides...Today we opted to get the following:**

**mac'n'cheese, collards, baked beans, sweet mashed, and corn bread.**

**The hit of the day for sides was the beans and the sweet mashed.**

**The other sides were good but these were our favorites. This may have been some of the best beans and mashed sweets we have had.**

**Oh yeah, they put their rub on their French fries also – genius.**

**SURPRISE !!!! Look at the huge piece of pork found in this guy – Jackpot!**

**Also, check out their Brisket Sandwich on our “Sandwiches” page.**
