## **SILVIO'S DELI & BAKERY**

**100 N. YORK RD.**

**Silvio's is a local staple that is becoming a well known place with experts who search for great cheesesteaks and hoagies. Their secret is their fresh baked rolls. Silvio's makes their own rolls on the premises, and they are great! They have personal size stromboli's as well which are equally good. Get them early in the day as they sell out**
