## Standard Tap

901 North 2<sup>nd</sup> Street

Philadelphia, PA 19123

We went here for their famous burger which we have had several times already. This place is known for being the anchor in a neighborhood almost forgotten by a lot of Philadelphians. The Fishtown/Northern Liberties area has made a huge resurgence on the Philly scene lately and this burger is one of the reasons why. I give

you the  
Standard  
Burger...

**The Standard Burger comes complete with lettuce, tomato, grilled onion and mushrooms, pickles, jack cheese and fries, which are perfect to spread on the plate to catch and bathe in all the burger drippings.**

**Delicious, just look at that toasted roll soak up the burger juice.**

**The fries are also pretty tasty, as I mentioned, even if you don't let them soak in the au jus of the Standard Burger.**

**And literally right next door to the Standard Tap, you can find Rustica, which serves up the best pizza in the city.**
