Steve's Prince of Steaks

2 locations in NORTHEAST PHILADELPHIA, PA

1 location in LANGHORNE, PA

Voted by several publications in the past ten years as being Philly's best steak. Steve's is about as consistent as you can get. Every time you go to either one in the Northeast or the one in Langhorne you are going to get a great quality steak. You can order dbl meat or several different melted cheeses to be spread on your steak. This is truly a great steak and has received some number one votes from some members.
