HOME OF THE FAMOUS TOMATO PIES AND BURGERS

Mannino's Pizza

543 Hamilton Ave

Trenton, NJ 08609

609.396.4660

**This is located right next to
Chuck's café and is a good
stop for a slice. They have**

**some huge slices of specialty pies such as BBQ Chicken and
Buffalo Chicken pizza.**

Chuck's Café

551 Hamilton Ave

Trenton, NJ 08609

609.392.2022

Chuck's is a BBQ place that serves great ribs and wings. Chuck's also does a tasty fried chicken. The ribs here are cut a different way than most and have a good amount of meat on them. The wings are a good mix of taste and cut with just the right amount of butter.

Good amount of sauce with just the right flavor and taste.

Papa's Tomato Pies

804 Chambers St

Chambersburg, NJ 08611

609.392.0359

**This is one of the oldest
pizza places in America.**

Make no mistake this is TOMATO PIE, not pizza. What is the difference you say? The difference is chunks of tomatoes in the sauce and a little sweeter. It is still a thin, crunchy, crust pie with mozzarella but the emphasis is on the sauce. We rate this as one of the best pizzas we have ever had. This would be on our checklist of the best foods we have ever eaten - period.

**This is
sooooo
good!!!!
Tomato
Pie
perfection.**

Rossi's Bar & Grill

501 Morris Ave

Trenton, NJ 08611

609.394.9089

Rossi's has simply one of the nation's best burgers, thick, juicy and flavorful. To a person, everyone we have sent here came back and said "best burger I ever ate". This is a slice of America not to be missed. We also recommend nibbling on an appetizer of salami and provolone cheese while you wait for the best burger of your life. If you are ever in this area you must – MUST eat this burger. Watch the hours though, while Rossi's is a tavern, they do close in mid-afternoon and open again at 5.

DeLorenzo Tomato Pies

530 Hudson St

Trenton, NJ 08611

609.695.9534

There are two of these located in Trenton and is one of the original pizza places in America. This though is TOMATO PIE with a thin, crispy, crunchy crust. The emphasis is on the sauce rather than the cheese. As you can imagine there is usually a line out the door, but if you can go, it is worth it. This is a Chambersburg/Trenton institution that should be on your checklist of great East Coast Pizzas.

You will notice what I was talking about with the emphasis on the tomato sauce. Super thin crust – great taste.
