THE BEST PIZZA IN THE WHOLE WORLD!!! This is what all other pizzas want to be. Gennaro Lombardi came to America and brought with

him an idea called pizza – thank you!!! Thin crust still made in a coal oven. Lombardi's, as you could imagine, gets packed, so call ahead for reservations. Don't be afraid to try the clam pizza. TRY THIS PIZZA!

Thin crispy crust with chewy, soft, great-tasting moz. The sauce is light, tasty and a little chunky, sweet red sauce that just compliments everything. Can't forget the fresh basil that kicks in and adds the perfect flavor to a masterpiece.
