TERMINI BAKERY

1523 SOUTH 8TH

PHILADELPHIA, PA

215.334.1816

One of South Philly's original bakeries. This bakery is famous for their cannli's and many other homemade baked goods. When you enter just get in line and wait for a guide to walk you through before you start taking things. This bakery brings you back in time when things were made the right way - with true pride. A true gem still thriving in South Philly.

There are so many things I could put on here but this is what we think is the best thing they have. I will be back down during the holiday season and will pick up more stuff and take more pics...
